Product Details

Our new ultra heavy-duty "**Stinger**" eSTOP lantern hard case will keep your electronic equipment safe and protected for years to come!
Also fits Outsource1 TRILIGHT lantern!

Major benefits of the Stinger:

- Hard protective plastic case, can take an absolute beating
- Stackable with male/female locating "lugs" top and bottom
- Can be safely strapped down on a vehicle as they are not flexible
- Waterproof with a rubber seal
- Large cutouts for visors, no more lining the eSTOP up exactly to get it into the case, no more broken visors from forcing it into the case
- Additional cutouts for 2 x remotes, chargers or second battery, and eSTOP manual
- Wheels at one end of the case for easy transport
- Protects your investment!
- Designed to last for years and years
- Will not damage the case when it is sat on
