Product Details

The DATASIGN–UTE–SKID is designed and manufactured by Data Signs Australia. It is designed to be placed on or off the back of a UTE Tray Truck easily by using a forklift.
The SKID is fitted with an A size VMS Sign as either an Amber only or 5-Colour.
Further a B size Arrow sign can be fitted to this assembly.
Installation and operation could not be easier than a 12V supply from the Ute or with an auxiliary 12V Battery.
Control for the Arrow and programming for the VMS Sign is done using our Smart Terminal Remote Control, NO WIRING NEEDED!
Optional, GPS Tracking and programing options can be via the DS-Live platform

Product Specifications

Dear ,

Thank you, edited!
